STUDENT CALL FOR APPLICATIONS Foundation Students

GIVEN the Law of August 2nd, 1990, n. 241 “Nuove norme in materia di procedimento amministrativo e di diritto di accesso ai documenti amministrativi” [“New regulations on administrative procedures and the right of access to administrative documents”] and subsequent amendments and/or additions;

GIVEN the applicable University Statute;

GIVEN the legislative decree of June 30th, 2003, n. 196 “Codice in materia di dati personali” [“Personal Data Protection Regulation”], as implemented with the Internal Regulations on the Implementation of Personal Data Protection Code used by the University, issued by D.R. n. 5073 dated 30.12.2005;

CONSIDERING the Scientific and Technological Cooperation Agreement signed between Università degli Studi di Napoli Federico II and Apple, for the establishment of the Developer Academy, for the training in the development of new applications and digital services, with the purpose – among others – to provide students admitted to the Developer Academy with the necessary skills to become “developers” of innovative apps, i.e., professionals who can design, implement and commercialize innovative services on Apple technological platforms;

CONSIDERING that, as provided for by the aforesaid Scientific and Technological Cooperation Agreement and the Exhibit A – Project Addendum 1, the students will be admitted to the Developer Academy after passing a specific selection;

GIVEN the Administration Board decree of 25th July 2016 and 27th October 2016 with which the administrative and accounting management has been entrusted to the Centro di Servizio di

Ateneo per il Coordinamento dei Progetti Speciali e l'Innovazione Organizzativa dell'Università degli Studi di Napoli Federico II – COINOR;

CONSIDERING also that, for the academic year 2019/2020 it is expected that a total number of 378 students will be admitted to the Developer Academy, of which 20 seats are for those who have already attended a Foundation Program;

DECLARES

SECTION 1

(Announcement and number of seats)

This University announces a selection of **20** students to be admitted at the Apple Developer Academy.

The selection refers to the academic year 2019/2020.

SECTION 2

(Requirements for participation)

In order to be eligible for the selection mentioned in section 1, applicants must be either EU or NON-EU citizens

- with a High school diploma issued by upper-secondary educational institutions or, if not obtained in Italy, an equivalent qualification. The diploma must have been earned within the scholastic year 2018/2019 or earlier
- and they must have already attended a Foundation Program.

Candidates get provisional admission to the selection. The University might decide to exclude any candidate, at any stage of this selection procedure, if the requirements are not fully met.

The applicants must not have already attended the Apple Developer Academy in Naples in the academy years 2016/2017, 2017/2018 or 2018/2019.

SECTION 3

(Application for participation to the selection procedure)

The application form must be submitted exclusively on-line through the following website: www.developeracademy.unina.it. The on-line registration is available from the publication date of this announcement, and will close mandatorily (and under penalty of exclusion from the selection procedure) at **14:00hrs (GMT+1) of June 14th 2019**.

Failure to comply with the regulations described in section A.2 of Annex A will prevent admission to the selection and, in any case, result in exclusion from the procedure.

All communications concerning the selection will be given exclusively via on-line publication on the Official Noticeboard of the Università degli Studi di Napoli Federico II (available at the University web site www.unina.it), as well as by publication on the web site www.developeracademy.unina.it

SECTION 4

(Evaluation Committee)

The Evaluation Committee will be appointed after the final deadline for submission of the participation applications. Its composition will be announced through a notice, published exclusively in the Official Noticeboard of the University (available at www.unina.it) and on the website www.developeracademy.unina.it

SECTION 5

(Selection procedure)

The admission exam will be in English and will consist of an interview.

SECTION 6

(Admission test: date and venue of the interview - implementation procedure)

The date and time of the interview will be known exclusively by on-line publication on the Official Noticeboard of the Università degli Studi di Napoli Federico II (available at www.unina.it) and by publication on the website www.developeracademy.unina.it.

The interview will take place on-line (via video conference), in accordance with the procedures mentioned in section A.3 of Annex A.

SECTION 7

(Publication of the ranking list)

The merit ranking list will be drawn up only on the basis of the scores obtained in the interview.

In the event of a tie, the younger candidate shall prevail. The final ranking list will be published on the Official Noticeboard of the Università degli Studi di Napoli Federico II (available at www.unina.it) and on the web site www.developeracademy.unina.it.

Applicants who do not rank among the admitted 20 participants, can still apply for the Apple Developer Academy in accordance with the default selection procedure described in point A.2 of the Annex. The selection procedure refers only to academic year 2019-2020

SECTION 8

(Scholarship and economic support funds)

Apple has made available a number of scholarships equal to 5% of the students admitted to the Developer Academy for the entire duration of the classes, in accordance with the final ranking.

All other students, based on the applicable European regulations (see European Social Fund regulations at <http://www.fse.regione.campania.it>), might receive from Regione Campania a contribution for the entire duration of the classes*.

SECTION 9

(Access to documents, Information regarding personal data)

Applicants have access to documents concerning the competition procedure, in accordance with the current legislation. This right will be exercised in the manner prescribed by the University Regulations laying down the rules on administrative procedure and the right of access to documents, issued with the Chancellor Decree n. 2386/98 and subsequent amendments and additions. According to section 13 of the law n. 196/2003, please note that the Università degli Studi di Napoli Federico II is responsible for processing personal data of applicants, in accordance with the provisions of the Rules of implementation of personal data protection code used by the University, issued by D.R. n. 5073 of 30th December 2005 and subsequent amendments. |

SECTION 10

(Procedure of acceptance)

The candidates admitted have to formalize their attendance to Apple Developer Academy by signing an agreement with which they commit to the provisions of this selection notice.

Once the deadline for acceptance has expired, if there are any places left due to lack of acceptance or subsequent withdrawal, the ranking will be scrolled. Any scrolling and the relative terms for making acceptance will be made public exclusively via posting on the website of the University of Naples Federico II.

*The contribution from Regione Campania will be provided to the students subject to the availability of funds.

SECTION 11

(Publication of the procedural acts)

This notice of selection and all documents attached will be published exclusively by on-line posting in the Official Noticeboard of the Università degli Studi di Napoli Federico II (available at the web site www.unina.it) and by publication on the website www.developeracademy.unina.it.

The online publication in the Official Noticeboard of the Università degli Studi di Napoli Federico II has the force of notification with all effects and no personal messages will be sent to interested parties. Therefore, it is recommended a constant consultation of the web links above.

SECTION 12

(Final Provisions)

The University reserves the right to exclude at any time the applicants participating in the procedure pursuant to this notice for failure to comply with its provisions or within the time specified or for default of the applicants' requirements. The exclusions are made with a Chancellor's Decree. Exclusions will be notified exclusively by online publication in the Official Noticeboard of the Università degli Studi di Napoli Federico II (available at the site www.unina.it), as well as by publication of the exclusion decree on the website www.developeracademy.unina.it.

Please note that Annex A is part of this announcement. We strongly recommend to carefully read the aforementioned document.

This announcement has been written in Italian. The English version is a translation for information purposes only. In case of discrepancy, the Italian version shall prevail and be binding.
