SME / Association / Researcher Profile Form

FP7 Programme SECURITY Theme

Description of the organisation (max 1.000 characters):

UIC mission is *to promote rail transport at world level and meet the challenges of mobility and sustainable development.*

Main UIC objectives:

- facilitate the sharing of best practices among members (benchmarking)
- support members in their efforts to develop new business and new areas of activities
- propose new ways to improve technical and environmental performance
- promote interoperability, create new world standards for railways (including common standards with other transport modes)
- develop centres of competence (High Speed, Safety, Security, e-Business, ...)

The UIC Security Platform brings together the railway security experts, is in partnership with police forces and is structured with Steering Committee, working groups, annual session to take stock of work and decide on future direction.
